Hi Mike,

I hope this finds you well. Mr. Wesson hosted a dinner last year at his residency with ten people, different religions, and racial backgrounds. Mr. Wesson see's the time we are living in and he wants our City residents to start the conversation on race, racism, and inequity. We want our residents to trust and work with City government for a better future for all. I attached a couple of flyers and presentation about EmbRACE LA. Would you please post on your Twitter account and tag @HerbJWesson a flyer about EmbRACE LA?

Thank you,
